

Little House of Peace Free Library Newsletter #4 Thanksgiving Edition

November, 2018

WIN ALL 40 JOHN GRISHAM BOOKS + A LITTLE FREE LIBRARY

Every month, we offer giveaways and deeply discounted books on our [Book Resources](#) page. We're currently running one of our most exciting giveaways yet: all 40 of John Grisham's autographed books, plus a Little Free Library! Visit our [Book Resources](#) page to enter to win.

Do we have any John Grisham fans out there? In order to enter and have a chance to win this set of autographed books by John Grisham plus a Little Free Library,, one has to answer 100% correctly a short quiz about John Grisham and/or his novels. Unfortunately, I would have no chance. So I'm seeking someone familiar with John Grisham's work to help our Library with the quiz. Let me know if you fill the bill, and we can figure out a time to get together and take the quiz. They also allow several tries! If ever we should win, the autographed books would be for the Little House of Peace; the Little Free Library which comes with the books, we can either keep in the neighborhood at a different location to be a magazine exchange, DVD/CD exchange, seed exchange, tool exchange, whatever...OR we could give it to another neighborhood.

Sad news: Todd Bol, the founder of the Little Free Library movement has died in Minnesota at the age of 62, just weeks after being diagnosed with pancreatic cancer. Little Free Libraries are paying tribute to this very special man who had a wonderful idea by tying white ribbons on their libraries. That is why there is a white ribbon on ours. I have placed an article in the Library from the New York Times about Todd Bol and the Little Free Library movement he founded, and here is a link to one video tribute.

We have a lovely new addition to our Permanent Collection: Neil Sperry's Complete Guide to Texas Gardening, donated by long-time residents of the neighborhood who recently moved to another state.

All other books of the Permanent Collection are still out. Just a reminder: If you take a book which is marked "Permanent Collection" inside the front cover, please return it when you are finished. Otherwise, we may be forced to conclude that this lovely idea didn't work!

A number of new children's books have appeared in the library, such as Good Night, Moon. We have room for plenty more books, so if you have more to contribute, please do!

Check out the Methodist Encampment section of the Library notebook. There is a wonderful story with photos about our own Mark and Linda Stone and their efforts to conserve Kerrville's architectural history, written by our own Anne Schneider, entitled "Preserving Kerrville's Past." They were both instrumental in the creation of the Little House of Peace, too.

I noticed that some little goblins had visited the Library on Halloween! I hope they enjoyed it and came back to borrow a book! And now Thanksgiving is upon us...the Little House of Peace Free Library is sporting a bare minimum of seasonal decorations! But there will be more for Christmas! There will not, however, be a Christmas/New Year's Edition of the Newsletter, so may I take this opportunity to wish you all very Happy Holidays, starting with Thanksgiving!
